

## SMS Program 1800CONTACTS

The short code 41800 is used by 1-800 Contacts to promote contact lens sales and services and to provide customer support. The short codes 536737 and 733455 are used by 1-800 Contacts for developing and testing the short code texting programs and are not in use for customer communications.

### How to opt in

You may also consent to participate in the SMS program by 1) updating the settings on your customer account on the 1-800 Contacts website, or 2) signing up on the 1-800 Contacts mobile application. Only customers who affirmatively consent to participate in the SMS program will be subscribed to the program. When you opt in to participate in the SMS program, you agree and consent to receive promotional messages at the phone number you provide, even if your number is on the national or state do-not-call registry. Messages may be delivered or made using any method, including an automated system. Your participation in the SMS program is not a condition of any purchase.

Message and data rates may apply. Message frequency varies. Carriers are not liable for delayed or undelivered messages. If you have any questions about your text plan or data plan, it is best to contact your wireless provider.

### How to opt out

To opt out from our SMS program you may text "STOP" to the short code 41800 from your mobile phone. You will be unsubscribed from the text program. You will receive one SMS that confirms you have successfully opted out. After that you will receive no more messages for this program unless you opt in again.

You may also opt out of participation in the SMS program by 1) updating the settings on your customer account on the 1-800 Contacts website, or 2) updating your SMS settings on the 1-800 Contacts mobile application to unsubscribe from the SMS program.
